- The term “mixed” denotes men and women may both race in this class. The “Women’s” class may only be raced by women.
- Classes may be combined or eliminated depending on the number of drivers in each class.
- A driver may only compete in one race per engine category. However, 6 hp Early Classic, 6 hp. Late Classic, and 6 hp. Post-1979 are considered separate engine categories, so a participant may compete in one race in each of these engine category classes.
- A driver may not enter both the Mixed and Heavy events.
- Drivers racing in the finals must race in the same boat in which they qualified.
- Race order will be determined on April 6, 2022.

Each driver is responsible for bringing their own ballast which should consist of water jugs. (A one gallon water jug will weigh 8 pounds). Ballast may be positioned in the boat at the driver’s discretion. Water jugs may be partially filled should the driver not require the full 8 pounds to reach the required weight.
